

The checklist to increase social and economic participation

ELEMENT - Advocate within and outside the sector		
ACTION	HOW TO DELIVER	DONE / TO DO
Advocate in planning and development	Work with private developers to influence them to go beyond compliance	<input type="checkbox"/>
	Advocate to state and territory governments during the design and planning processes for large infrastructure projects	<input type="checkbox"/>
	Build the capacity of people with disability to advocate on issues	<input type="checkbox"/>
Increase local business capacity	Develop guidelines for local businesses to help them meet resident and visitor needs and boost their business	<input type="checkbox"/>
	Train local businesses on how to support and respond to people with disability	<input type="checkbox"/>
	Promote accessible businesses to residents and visitors	<input type="checkbox"/>
	Provide grant funding to make businesses more accessible	<input type="checkbox"/>
