

The checklist to increase social and economic participation

ELEMENT - Boost local employment		
ACTION	HOW TO DELIVER	DONE / TO DO
Employ people with disability	Set targets to employ people with disability which are reflective of the general community	<input type="checkbox"/>
	Plan to employ people with disability as part of workforce planning	<input type="checkbox"/>
	Proactively look for opportunities to recruit people with disability into the right roles	<input type="checkbox"/>
	Identify and reduce barriers which might exist, such as workplace adjustments, unconscious bias and OHS issues	<input type="checkbox"/>
Support local businesses to employ people with disability	Connect local businesses, employment agencies and training organisations to support people with disability to find work	<input type="checkbox"/>
Support employment in the disability sector	Consider the potential impact of the NDIS on the community and on existing service providers and develop a response to ensure people with disability remain supported	<input type="checkbox"/>
	Consider related industry sectors, such as tourism, aged care, ancillary health services and education and how council might respond to people with disability	<input type="checkbox"/>
