

The checklist to increase social and economic participation

ELEMENT - Build collaborative networks and partnerships		
ACTION	HOW TO DELIVER	DONE / TO DO
Build strong networks	Identify key stakeholders to deliver outcomes for people with disability	<input type="checkbox"/>
	Actively build networks and partnerships around common goals so they are already in existence when required	<input type="checkbox"/>
	Set key aims and goals with collaborators	<input type="checkbox"/>
Partner with state government	Establish and actively maintain key partnerships with state and territory government departments	<input type="checkbox"/>
	Regularly communicate to support capacity building and infrastructure development (state and local government funded)	<input type="checkbox"/>
Collaborate with NGOs	Where a service or program is needed, but cannot be delivered by council, identify providers who can	<input type="checkbox"/>
	Directly fund NGOs where necessary or where it is more efficient to do so	<input type="checkbox"/>
	Promote services and programs offered by NGOs in an accessible format	<input type="checkbox"/>
	Provide community grants to deliver programs	<input type="checkbox"/>
